

These Conditions of Hire apply to use of the Australian Automotive Research Centre located at 445 Gum Flats Road, Wensleydale, Victoria (**AARC Facility**). Users of the AARC Facility (**Visitors**) must sign these Conditions of Hire prior to the commencement of any activities. By doing so, the Visitor agrees with Australian Automotive Research Centre Pty Ltd ACN 005 325 100 (**AARC**) to comply with (and to ensure that all the Visitor's employees, agents, contractors, customers and invitees (**Visitor's Associates**) comply with) the Conditions of Hire.

These Conditions of Hire will apply to the Visitor's use of the AARC Facility for a period of twelve (12) months from the date of signing. After that time if the Visitor wishes to continue to use the AARC Facility the Visitor must sign new Conditions of Hire (but if the Visitor continues to use the AARC Facility without doing so and with the consent of AARC, these Conditions of Hire continue to apply).

CONFIDENTIALITY AND PRODUCT SECURITY Every Visitor must maintain the strictest confidentiality concerning the testing of products by any person other than the Visitor at the AARC Facility and must not disclose to any other person any information concerning those products or the testing of them. **No photographic equipment is permitted at the AARC Facility without the permission of the AARC Facility Manager. This includes mobile phones with a camera feature.** Unauthorised photographic equipment must be left at the main office and can be collected on departure.

FEES The Visitor must pay all fees agreed with or quoted by AARC for the use of the AARC Facility. Fees must be paid within 14 days after the issue of a tax invoice. AARC may charge interest at a rate of 10% per annum (calculated from and including the due date to and including the date of payment and compounding monthly) on all fees which are not paid by the due date.

INSURANCE Visitors must confirm in writing that their own vehicle and general public liability policies adequately cover accidents and damage which might be caused by or to their vehicles, equipment and Visitor's Associates using the AARC Facility. A copy of a Certificate of Insurance is required and must be received prior to using the AARC Facility.

ACCESS Access to the security compound, test and training facilities and promotional venues is restricted to vehicles and personnel authorised by the AARC Facility Manager. AARC reserves the right to refuse entrance to any person or to require any person to leave the AARC Facility for any reason which AARC, acting reasonably, considers fit (including, but not limited to, failure by that person to comply with these Conditions of Hire).

Visitors must park in the designated area outside the security compound and walk in and check in at the AARC Facility office. All Visitors are to complete the Visitors' Register in the foyer of the Administration building on arrival and sign out when departing.

Visitors may only enter those parts of the AARC Facility authorised by AARC and may only do so at the times permitted by AARC. Visitors must comply with all directions of the AARC Facility Manager.

An authorised person, who is familiar with the AARC Facility Regulations and has completed an orientation program to the AARC Facility, must accompany any person or group on activities not related to normal engineering or training programmes.

Where a group of Visitors and Visitor's Associates are involved, one person may sign them in and be responsible for that group.

REGULATIONS The Australian Automotive Research Centre Regulations and Safety Instructions (**Regulations**) apply to all activities at the AARC Facility. Visitors must comply with the Regulations. The Regulations are available at www.aarconline.com. The Regulations may be amended from time to time and Visitors should check the current Regulations on each occasion that they use AARC. By signing these Conditions of Hire, Visitors agree and acknowledge that they have reviewed and accepted the current Regulations and will review and accept any amended Regulations which are current at the time of any future use.

LICENCES Drivers and operators must hold a current licence for the class of vehicle or equipment operated.
